May 11, 2010 6:30 PM
Scheel's Training Room

Page 1

Minutes

In Attendance:

14 in attendance – see Attendance Record

Presided by Mike Caltagirone, President Sagebrush Chapter

Agenda:

1. Announcements - Mike

- Walker Lake Education Day; Thanks to volunteers for fly casting demos; fly tying
- Orvis Store Fishing Day; had a table with flyers and the board showing the 4 projects funded
- June 12 – Sparks Free Fishing Day at the marina; sponsored by Sparks Rotary and NDOW; need volunteers (to untangle fishing lines!)
- NDOW Projects – Matt Maples
 - March 24 – Floy tagged LCT at Mason Valley Fish Hatchery; now need to measure fish (~3000)
Volunteers – teams of 2 – need 14-18 people – see NDOW website to register for volunteer – also contact Matt on the website if volunteering – Mat
 - May 12 & 13 – electro shock fish with Matt
- Feather River TU, Truckee River TU, and Sagebrush TU were awarded a grant of \$60,000 from Sierra County for stream restoration partly due to the project funding for FRTU for our chapter.
- Little Truckee Working Group – map on website with 20-22 individual projects – opportunities for volunteer work on the Little Truckee and Independence Lake

2. Randel – if a conservation group is interested in our group projects, please have them see our website or Randel.

3. Presentation by Jim Taylor

West Walker River Restoration Project

Clear Creek Tahoe development – private project

Partnership with US Fish & Wildlife and Nature Conservancy

Restore the first 3 miles below the confluence of the natural river and Topaz canal

Cattle were off the river in 2008

Reintroduce LCT

4. After the meeting, at 8:00, the TU TV show on Pyramid lake will be presented at Rack N Pinz.
