		Effective Date:	5/19/2009

1.0	PURPOSE
	This policy establishes the project type and funding policy for the Sagebrush Chapter Conservation Grant Program.
2.0	POLICY
	<p>Projects funded by the Sagebrush Chapter Conservation Grant Program, hereinafter referred to as the "Program", shall meet the following project type and funding policy.</p> <p>2.1. Project-types</p> <p>The Program will consider funding for the following types of projects that demonstrate a benefit to Northern Nevada coldwater fisheries: protection, restoration, conservation, feasibility studies, applied research, assessment, conservation planning, and education and outreach.</p> <p>2.2. Funding Policy</p> <p>2.2.1. Funding for a project shall not exceed the maximum project grant awarded as determined by the Sagebrush Chapter Project Committee prior to the start of the Program cycle. The maximum project award amount and range of the number of projects to be funded shall be stated in the current Program cycle Application.</p> <p>2.2.2. The Program will consider funding projects that are submitted by non-profit and for-profit organizations or individuals that are eighteen (18) years or older. Individuals younger than eighteen (18) years of age must provide a sponsor eighteen (18) years or older.</p> <p>2.2.3. The Program will consider funding projects that utilize the design, development, or purchase of tools used to accomplish project goals.</p> <p>2.2.4. The Program will consider funding projects that utilize land acquisitions, water rights, and easements to accomplish project goals.</p> <p>2.2.5. The Program will consider funding projects that budget stipends for graduate students or salaries for contractors and consultants, if their efforts substantially contribute to the successful completion of the project.</p> <p>2.2.6. Applicants must match on a one-to-one basis Program grant requests exceeding one thousand dollars (\$1000.00). Matching sources include, but are not limited to: volunteer labor, cash gifts, and in-kind donations of materials, or</p>

	<p>any combination thereof.</p> <p>2.2.7. Applicants have two years (2) to complete a proposed project; however, Applications for multiphase projects may be submitted each consecutive Program funding cycle.</p> <p>2.2.8. The Program will not fund projects that require salary expenses for government agency personnel or non-profit staff.</p> <p>2.2.9. The Program will not fund partially or fully completed projects that are seeking reimbursement for expenses.</p>
